

HANLEE RIDGE DOODLES

PUPPY CONTRACT

A \$300 deposit is required to hold a puppy and goes toward the total purchase price. The balance must be paid in full before the puppy leaves our home. Final payment may be paid at time of pickup ONLY if paying with cash. Failure to comply with these terms will result in the purchaser's deposit being forfeited. Picks will be made in order of deposits received. We as the breeder reserve the right to hold back the first 2 picks of any litter as needed.

Breeder is selling puppy for the total price of \$ _____

BREEDING RIGHTS

Puppies are **NOT** sold with breeding rights. By signing this contract, you are buying the puppy as a Pet. The PURCHASER must notify the BREEDER or send letter from Vet confirming your dog has been spayed/neutered no later than one year of age. Unless otherwise agreed in writing, the PURCHASER will be liable if there is a breach of this contract.

This agreement is made between breeder and buyer for the purchase.

Puppy Breed _____

Color/Sex _____

Birthdate _____

1 Year Genetic Health Warranty

We try to ensure that you purchase a genetically healthy puppy and if in the case your puppy is found to have a genetic disorder (such as hip and elbow dysphasia, pathological spinal disorder, luxating patella and a continuing open fontanel) as diagnosed by a licensed veterinarian with-in 1 year from purchase, we will replace your puppy of equal value. There are **NO** warranties against common sicknesses or accidents incurred on your part after puppy is in your possession. ALL regular health care maintenance and immunizations are the owner's responsibility. The puppy is in good health and free of communicable diseases at the time of sale. Buyer has 3 days from delivery date to have puppy examined by a licensed veterinarian at buyers' expense. If puppy fails vet examination, Buyer may return the puppy (with written statement from the veterinarian) for a full refund. Failure by Buyer to have the puppy examined within the 3 day period will nullify this warranty.

Puppies go home to their new families with:

Age appropriate vaccines and health report record from Vet at 6 weeks old

Wormed bi-weekly (beginning at 2 weeks, again at 4, 6, and 8 weeks of age)

Spay/neuter contract

One-year genetic health guarantee

I agree to ALL terms on this contract:
